BCA SCHOOL SUPPLIES LIST	12

# COMMITMENT TO STANDARDS AND LIFESTYLE COVENANT

BCA is a school that challenges students to higher achievement in academics, to growth and fulfilment in co-curricular experiences, and towards faithfulness in following Jesus. It is a place where young men and women of character will continue the adventure into adulthood in an environment that gives them the safety to dream, the opportunity to excel, and the call to grow into men and women who will live lives of service to Christ's Kingdom work in our world.

For this reason, we require our students to commit to expectations that will help them become positive culture-shapers in our school community and in our world.

# THE COVENANT:

Please read and carefully consider the commitment that we ask our students to make in their school and personal lives from the time they register at BCA to the time when they graduate and/or leave our school:

- 1) I will commit to maximizing success in my studies by endeavouring:
- a. to learn from my teachers and other leaders by following formal expectations for class and chapel attendance, homework, and exam preparation, and by speaking up when appropriate, remaining quiet when needed, and asking for more challenge when able.
- b. to support my fellow students by giving and asking for help in the right place and at the right time.
- 2) I will commit to the learning and growth that is available to me at BCA through co-curricular activities and events throughout the year by:
- a. relating positively to the adult coaches, directors, and mentors of co-curricular activities.
- b. supporting my fellow students by learning to be a great teammate and by participating in and by supporting and attending co-curricular activities and events in our school.
- 3) I will sincerely explore what it means to commit myself to following Jesus for a lifetime by:
- a. attending and participating in church, chapels, and the assigned classes and forums for spiritual formation.
- b. seeking out opportunities to learn, to understand and to practice what it is to follow Jesus in loving God and others.
- 4) I will not distract or hinder myself or my fellow students from these commitments by engaging in inappropriate, addictive, destructive (to self or others), and/or anti-biblical behaviours, with the following listed as examples:

- a. occult activities.
- b. activities of a sexual nature (practiced by individuals outside of a marriage relationship).
- c. stealing, vandalism, assault, or other offences liable to criminal prosecution.
- d. bullying, making threats, maligning, or committing other verbal abuse whether of peers or staff, whether in person, in writing, or online.
- e. representing myself or others in inappropriate ways in person, in writing, or online, whether through self-identifying or anonymous social media forums.
- f. inappropriate use of dating apps and/or use of inappropriate dating apps.
- g. using non-medical drugs\* or other mood-altering substances or abusing medical drugs.
- h. using alcohol\* in any quantity (except in taking part in the Eucharist at church).
- i. using tobacco\* in any form.
- j. using a vape\* or e-cigarette\* in any way or vaping in any form with any substance.
- \*Please note that this includes owning, carrying, distributing or in any way engaging with any of the products related to the use of tobacco, drugs, alcohol, or vaping.

# **OUR ACCOUNTABILITY NETWORK:**

Our students are also asked to recognize that they understand the potential repercussions and consequences of living outside of these commitments as indicated below:

- 1. I understand that the staff and administration of BCA and BCS may require me to participate in one or more support relationships or activities to help me deal more positively with challenges in my life which are hindering my ability to be successful. These may include, but are not limited to, participating in the Student Study Center, taking private tutoring, going to counseling, participating in a mentoring relationship, engaging in a "Student Support Contract", meeting with a chaplain, working with a substance counselor, and so forth. I understand that the goal of these support systems is my personal growth.
- 2. I understand that certain types of negative choices in the school and student life context may result in a "Student Violence and Threat Risk Assessment" as part of my school's commitment to the protocols of PSSD and as described in the "Fair Notice Brochure" posted on the BCA web site under "Academics" --> "Policies."

3. I understand that my negative choices--or my ongoing lack of positive choices--may result in me being required to discontinue as a student of BCA or to be dismissed from BCA, either for a time to be dedicated to growth, or permanently.

# PARENTAL SUPPORT:

Our student's parents are asked to state their determination to help their children maintain the commitments listed above as follows:

\_\_\_\_ "As the parent or guardian of this student, I have read the "BCA Commitment to Standards and Lifestyle." I understand that my child's agreement to the policy is binding and that my child's failure to comply with these commitments gives BCA the right to disqualify my child as a BCA student and that in such cases I will accept the appropriate parental responsibilities for my child (including accommodation and transportation in situations of suspension or dismissal). I hereby state my determination to encourage my child to consistently maintain the above commitments. I commit myself to supporting BCA in its stated goals and programs.

# **BCA STUDENT ABSENCE POLICY**

BCA is intentionally centered around relationally focused, in-person learning experiences. We use digital platforms to enhance our face-to-face classroom opportunities. We do not provide online learning.

In keeping with Prairie South School District attendance policies, students at BCA should not miss more than 18% of their in-class learning time per course:

Two-month terms: Maximum 7 classes Four-month terms: Maximum 15 classes

## **Excused Absences**

# Day Students

Parents of day students (students that reside in Caronport or surrounding) should call or email the BCA office before 8:30 am on days when students will be absent or late for class.

Absences of more than three days in a row (family vacations, etc.) should be communicated with the office as soon as possible. Arrangements should be made with each teacher well in advance of the planned absence.

## **Dorm Students**

It is required that dorm students are excused by a Residence Dean or assistant for absences related to illness. Parents of dorm students are requested to partner with dorm personnel when discussing absences due to illness. Once there has been communication between home and dorm, dorm staff will notify the BCA office.

Absences unrelated to illness should be reported to the office before 8:30 am on that day.

Absences of more than three days in a row (family vacations, etc.) should be communicated with the office as soon as possible. Arrangements should be made with each teacher well in advance of the planned absence.

## **Unexcused Absences**

In the event of an unexcused absence, students will report to the office and a plan will be put in place for the student to make up missed time.

# Extracurricular Attendance

Same-day co-curricular involvement restrictions will apply to students who have missed class(es) due to illness. For students to participate in an after-school extracurricular activity, they would be expected to have attended school, at minimum, the entire afternoon of that same day.

Students who accrue an unexcused absence in a class should understand that attending detention will take precedence over attending extracurricular activities.

When your child is absent from class due to school-endorsed events (athletic, arts functions, etc.) absences will not tally when the teacher/supervisor can reasonably provide time during the event to supervise the students making up the missed class learning time. This could apply when groups have adequate time to study while traveling and/or while waiting between performances or games.

## Curricular Absences

Curricular events, such as field trips, are part of your child's coursework. Participation in these events will not contribute to their absences for that class.

Students are expected to be in good academic standing to participate in curricular events.

# Voluntary Withdrawal or Early Departure

When a student withdraws or departs early from one or more courses or from BCA before the scheduled end of the term, the student will become responsible for completing those credits elsewhere

In this case, students will receive a summary of the learning outcomes they have attained in their incomplete course(s) at the point of withdrawal which can be given to the receiving school so the next stages of programming can be determined.

# ANTI-HARASSMENT/ANTI-BULLYING POLICY

The following is an adaptation of the anti-harassment policy for the Prairie South School Division. https://forms.prairiesouth.ca/HR eForms/AP%20170%20Harassment.pdf

# Background

Students and school staff at Briercrest Chrisitan Academy have the right to learn and work in a respectful environment that is free from harassment.

We value the diversity that we have as God's image-bearers. We commit to love and respect our students and staff as well as all others who enter our learning community.

# **Definition of Harassment**

Harassment is any conduct that makes a person feel uncomfortable, intimidated, abused, or threatened in their work or study environment. This can include actions, comments, displays, or gestures.

Harassment may involve degrading and hostile behavior towards someone due to their race, religion, sexual orientation, age, disability, nationality, or other personal characteristics. It may also take the form of offensive language, jokes, bullying, or negative stereotypes.

Physical violence, restraint, or coercion are also forms of harassment and can threaten an individual's safety and prevent them from doing their work or studies.

Sexual harassment is specifically defined as unwanted sexual advances or inappropriate conduct of a sexual nature that occurs in the work or study environment.

At Briercrest Christian Academy, we do not tolerate any form of harassment or discriminatory behavior. All students and staff are entitled to a work or study environment free from harassment, intimidation, and prejudice. All complaints of harassment will be taken seriously, and appropriate corrective actions will be taken to ensure that the behavior stops. We also prohibit retaliation against anyone who reports harassment.

This policy applies to everyone who uses or provides services at Briercrest Christian Academy and encompasses all activities that take place on the premises of the institution. Every student and staff member has a responsibility to uphold a harassment-free environment.

# **BCA DRESS CODE**

As a school, we believe that the way students, staff, and volunteers dress can have an impact on the tone of the school. Therefore, everyone is expected to dress appropriately for their roles. Our dress code is designed to demonstrate that our school is a place of business and is in effect during the school day, extracurricular activities, class field trips, and any other school-related function that may happen in or out of the school.

While we understand that not every possible scenario can be predicted and detailed in a dress code, we rely on common sense to prevail. Our staff reserves the right to address a concern that is not specified in the dress code. We acknowledge that our guidelines may be viewed as too strict by some and not strict enough by others. Our families come from diverse backgrounds and have differing beliefs around issues like modesty and appropriate dress.

As a general guideline, we expect students to dress appropriately for a conservative workplace since a school is a place of business. Parents/guardians are responsible for ensuring that their children dress according to the guidelines below. By choosing to send their children to our school, parents/guardians inherently agree to support our rules, expectations, and dress code.

Here are some more specific guidelines:

Hats and hoods are not to be worn during chapel.

Clothing, jewelry, and other accessories must be free of offensive or suggestive language, pictures, designs, symbols, slogans, and political ideologies, and must not promote values contrary to Christianity.

Our school is a "scent-sensitive" environment. Heavy fragrances, perfumes, body sprays, etc. should be avoided.

Our staff will respectfully address minor concerns with students. We will also respectfully address issues around offensive or counter-Christian content with students and/or parents. Students may be asked to remove or cover up the item in question or return home or to the dorm to change. Length of shorts/skirts, amount of revealed skin, and other such possibilities are under the "umbrella" of business-appropriate attire and will be addressed at the discretion of our school administration.

# **BCA GRADING PRACTICES**

## **Assessment Practices**

To ensure accurate grading, we provide students with two interventions for most assessments. If an assignment is missed, a "0" is recorded on Canvas and parents/guardians must monitor their students' progress. Students cannot participate in co-curricular activities until all assignments are completed.

If learning outcomes are not met, the teacher will notify Student Support. If the student still fails to meet the learning outcomes, the "0" mark will be recorded permanently.

In keeping with the educational directives of PSSD, we support the following assessment practices:

- I. There will be no "recommends" from course final exams.
- II. Final assessments for grades 9-11 courses will be through portfolios, projects, or cumulative learning demonstrations. Grade 12 courses will have final exams unless a department decides otherwise.
- III. Final assessments account for 25% of the grades.
- IV. Teachers will use various assessment methods, reflecting marks based on learning outcomes and not behavior or comparison with peers. They will assess assignments based on targeted learning outcomes.
- V. No extra credit or bonus points will be given, but students will have consistent opportunities to demonstrate an "enriched understanding" of learning outcomes.
- VI. Academic dishonesty is unacceptable. If it happens, we will require the student to redo the assignment with integrity to achieve the intended learning outcomes.
- VII. We will mainly use cooperative learning as an instructional strategy. Assessed tasks will evaluate individual achievement components.
- VIII. Teachers will share assessment criteria beforehand to provide clarity of expectations.
- IX. Students will be given chances to practice and receive feedback on specific skills before they are formally assessed.
- X. We encourage student self-assessment through teacher-student conferences, and portfolios, and involve students in developing rubrics, identifying learning outcomes, and assignment parameters.

# Late and Incomplete Assignments

It is expected that students submit their assignments on time. However, if a student fails to do so, the teacher will use their professional judgment to decide on the best course of action. They will consider factors such as the student's age, maturity level, medical status, personal circumstances, grade level, and past behavior. In exceptional circumstances, teachers may use their discretion to provide alternative arrangements for students who have missed deadlines. The school has a plan in place for dealing with late assignments, and the teacher's actions will be consistent with the policies outlined in the Prairie South School Division Grading Document.

https://www.prairiesouth.ca/wp-content/uploads/2021/05/Grading-Practices-20210504.pdf

# **GRADUATION REQUIREMENTS & COURSE PLANNING**

All BCA courses are prescribed by the Saskatchewan Government curricula. Because of our distinct Christian mandate, Christian Ethics is a compulsory course for students in each year they attend.

A high school diploma is issued when the student has successfully completed the SK Ministry of Education high school graduation credit requirements. <u>Saskatchewan High School Credit Options</u>.

# **BCA SCHOOL SUPPLIES LIST**

- Laptop or Tablet\*: This device should be able to produce and interact with Word (or documents that can be effectively converted into Word) and PowerPoint. It should have the capacity to send and receive emails, access wireless internet, have a minimum screen size of 7", and have a functional keyboard.
- Bible: Old and New Testament Hardcover; version/translation of student's choice.
- Binder(s): 3-ring zip binders preferred.
- Paper & Dividers
- Pens, Pencils, and Erasers: highlighters, coloured pencils, and markers are recommended.
- Calculator
- Water Bottle
- \* Students have access to Microsoft Office Suite for FREE through their myBriercrest account.

Go to www.mybriercrest.ca

Click on Office 365 link.

Enter login information (same info for Canvas login).

# **BCA GUEST VISITOR APPLICATION FORM**

While under our care, we expect our students' guests to follow the same guidelines as we have for our BCA students. If an issue arises regarding a guest, BCA administration will address the situation which may involve requiring the guest to leave the event and be transitioned to the care of either the guest's parents or the BCA student's parents.

Parents/Guardians, please fill out the information and s	ign your agreement below.
Name of BCA Student:	Date:
BCA Event and Date:	
Name of Guest:	
Emergency Contact Information for Guest (Name, Phone	e, and Relationship to Guest):
I, the parent/guardian ofthis event.	, am responsible for my child's guest at
